Join us on Saturday, September 30th at 5:30pm for the first annual Bite of Stanwood Camano fundraiser, benefiting the Community Resource Center of Stanwood Camano. This event will bring the best food and drink from our region together for a culinary competition, with the opportunity to wow guests with small bites of their signature dishes and drinks that leave them wanting more. Guests will vote on their favorite bites and drinks with winners being announced at the event and celebrated after the event with an ad in the Crab Cracker magazine. In addition to fabulous food and terrific company, this event will offer live music and line dancing lessons.

LET'S LASSO UP SOME "FUN" DRAISING!

We are gathering for an important cause, supporting the Community Resource Center of Stanwood Camano (the CRC). Funds raised will help them continue to expand services as needs in our community change and grow. Over the next year, we are excited to be able to support families to set and achieve their goals, facilitate access to mental health services, offer help with basic needs, provide a safe place for teens to gather, and continue to be a place that builds community for all. Guests at this event will have multiple opportunities to contribute to this cause, so please bring your appetite to give!

We are currently soliciting restaurants, bakeries, confectionaries, breweries, and wineries to participate in this event. Below you will find an outline of what we will be asking these local businesses to contribute:

FOOD

- 100-200 small bites prepared in a commercial kitchen
(The more you prepare, the more people can sample your food and the more likely you are to win.)
- Staff or volunteer with food handlers permit to staff a table during the event (5:30-7:30). This is an opportunity to talk up your food and your business.
- If food needs to stay hot/cold, please bring the equipment required for this. Please plan to bring serving utensils.
- If electricity is required, please let us know so that we can ensure you are placed accordingly.
- Small appetizer plates and napkins will be provided for you.
- 1-2 six foot long tables and table linen will be provided for each food vendor. Please confirm whether 1 or 2 tables are required.
- Please feel free to provide your own signage for your table. Let us know if you do not have signage and would like us to provide signage for your table. (Please note, you may not have a wall behind you for hanging banners, etc. Standing banners or signs on easels are strongly recommended.)

DRINKS

- 100-200 tastings. (We would also welcome donations of wine for our wine pull or for our silent auction.)
- Staff or volunteer with MAST license to pour during the event (5:30-7:30pm). This is an opportunity to talk up your drinks and your business.
- 1-2 six foot long tables and table linens will be provided for each food vendor. Please confirm whether 1 or 2 tables are required.
- Glassware will be provided. Please verify what type of glassware is required based on the drinks you will be providing.
- Please feel free to provide your own signage for your table. Let us know if you do not have signage and would like us to provide signage for your table. (Please note, you may not have a wall behind you for hanging banners, etc. Standing banners or signs on easels are strongly recommended.)
